Closure of NTC Units in Bihar

*352.SHRIMATI KAMLA SINHA:WiU the Minister of TEXTILES be pleased to

state:

(a) whether it is fact that two NTC units in Bihar, one at Mokama and the other at Gaya, are facing closure; and-

(b) if so, what are Government's plans to revive these units?

THE MINISTER OF TEXTILES (SHRI KASHIRAM RANA): (a) and (b) NTC has two mills in Bihar namely, Gaya Cotton & Jute Mills, Gaya and Bihar Cooperative Spinning & Wvg. Mokameh which are managed by NTC (WBAB&O) Ltd., a subsidiary of NTC Limited. These mills are presently facing shortage of working capital. Due to continuous losses, NTC (WBAB&O) Ltd. along with 7 other subsidiaries of NTC have been referred to BIFR and were declared sick.

The Government had approved a Turn Around Plan for NTC mills in 1995 which envisaged, inter-alia modernisation of 79 mills at a cost of Rs. 2005.72 crores, merger

of 36 unviable mills into 18 viable mills etc. The plan was to be implemented through generation of funds from the sale of surplus land/assets of NTC. Major portion of this land is located in Mumbai. The State Government of Maharashtra has yet given their approval for sale of land. Moreover, in case of 4 subsidiaries of NTC viz. NTC (UP), NTC (Guj.), NTC (WBAB&O) and NTC (MP), BIFR have not approved the plan on account of their net worth not becoming positive during the prescribed period. In view of the above the revival strategy could not be implemented.

On the basis of a unit-wise viability study made by NTC, Government is considering a revised turn around plan for the viable subsidiaries of NTC alongwith the viable mills under them keeping in view the BIFR norms of net worth of these mills turning positive within the period prescribed by BIFR. The inerest of the workers will be kept in view in the Revival Plan.
